## **TRAVEL REQUESTS**

In the past, boards were allowed one travel opportunity per year. With the budget constraints, all travel requests are now being closely monitored and must also be reviewed by the Department of Administration.

## **INFORMATIONAL ITEMS**

The Board noted the position statement on dermal fillers and Botox. This information has been posted to the DRL website.

The AGE CE transcript was reviewed and the consensus of the Board is the transcript is acceptable.

Sandra Linhart and Adrianna Jaramillo presented research on teeth whitening by non-licensed individuals. The consensus of the Board is that teeth whitening is the practice of dentistry and patients need to be diagnosed prior to this procedure. The Board disagrees with the Attorney General opinion dated February 22, 2005, as this opinion is written based on legislation but does not consider the scientific data, and the practice of dentistry has evolved. Patients need to know the risks involved and the consequences. Michele Miller Hayes will draft a response to the Attorney General's opinion and will bring it to the May meeting for review.
